

# Modeling with Vector Data Step-by-Step

## Sample Site Grading Plan

(See next page for street details, site location map and plan abbreviations/notes)

Note: An extra "tear-out" copy of this plan is provided on page 381. A corresponding multi-page PDF file (***PVectorPlans.pdf***) contains the plan sheets used in the following exercise steps and is available for download at [www.earthworksoftwareservices.com/resourcefiles.htm](http://www.earthworksoftwareservices.com/resourcefiles.htm) (see page 271).
