Yes No Yiew License Agreement

o Click on Next.

 Select Start with WinZip Classic, and then click on Next.

₩inZip Setup

Select "Wizard" or "Classic", then click "Next"

You can start with the "Wizard" or "Classic" interface. It is easy to switch between the two interfaces, and you can always change the default later.

The Wizard automates the most common tasks involving Zip files and is ideal if you want to quickly unzip files or install software distributed in Zip files.

Start with the WinZip Wizard

<u>H</u>elp

WinZip Classic is much more powerful and is recommended if you are comfortable with Windows and Zip files.

< Back Next > Close

WinZip and Compressed Files Download and Install WinZip (Cont.)

• Select "Express setup", then click on Next.

• Click on Done to complete the installation.

 WinZip is now installed on your computer and is ready for use by double clicking the program's desktop shortcut.

WinZip and Compressed Files Unzipping Compressed Files

When you receive a .ZIP file, use WinZip to extract (unzip) the compressed files.

 Launch Windows Explorer by right clicking the Start button on the Windows Task Bar and selecting Explorer. In Explorer, double click the .ZIP file that you wish to unzip.

WinZip and Compressed Files Zipping Files

WinZip can also be used to compress (zip) large files so they are easier to send via e-mail.

 Launch Windows Explorer by right clicking the Start button on the Windows Task Bar and selecting Explorer. In Explorer, right click the file that you wish to zip, and then click on Add to Zip in the pop-up menu.
