

Modeling with Vector Data Step-by-Step

Sample Site Grading Plan

(See next page for street details, site location map and plan abbreviations/notes)

Note: An extra “tear-out” copy of this plan is provided on page 423. A corresponding multi-page PDF file (*PVectorPlans.pdf*) contains the plan sheets used in the following exercise steps and is available for download at www.earthworksoftwareservices.com/resourcefiles.htm (see page 275).
