Rev 1.2.2025

**\*The 2024 Post-Seminars Editions of the AGTEK Seminar Handbooks are the result of the author's ten-month project to update and expand his popular three-volume set of AGTEK reference manuals for modeling and quantifying site earthwork. These extensively revised handbooks are a valuable go-to technical reference for AGTEK earthwork software users at any level of experience. Each handbook's detailed step-by-step examples will reward new AGTEK users with confidence and proficiency. Click the Table of Contents links above for details on what's covered in each handbook volume.**
